

CCT GOV. GROUP ACTIVITY

This group activity is designed to have students go through the process of a Colville Business Council Committee Meeting. Using the Council reps you established in the Mock Election, these students will lead a committee meeting and the rest of the class will be employees of the tribe bringing proposals for Council to decide on.

Terminology Needed to know

- **Proposal**- An idea/rule that a help the community in a positive way
- **Resolution**-A firm decision by Council after an approval process. A proposal turns into a resolution if approved.

Materials Needs

- Chairman & Vice Chairman name tags and whiteboard

Directions

Step 1

- Place Council reps at the front of the classroom with name tags placed in front of Chairman and Vice Chairman.

Step 2

- Choose 4 Committees your class would like to work with.
- Proposals will need to be made based on the committee of your choice, premade proposals have been made for the class to use.

Step 3

- Council will decide amongst themselves who will oversee each committee.
- There should be 2 per committee with 1 one main representative.

Step 4

- Chairman is going to call the Meeting to Order .

Step 5

- Determine which committee is going first so Council will know. A employee representing that committee will read out the proposal created by the group or the designated proposal, then the Council Rep. that oversees the committee will make a decision to keep the proposal or to deny.
- Repeat this process until all the proposals have been read outloud.

** If it gets approved it will go to the rest of Council for them to vote on after all the proposals have been read outloud.**

Step 6

- Choose one person from the class (not Council) to keep track of votes made.
- All approved proposals will get read outloud to remind Council
- One by One Council will vote to make it a resolution or to deny the proposal
 - To say **yes** its **"ki"** to say **no** its **"lut"**
 - **Council can only approve 2 resolutions.**

GROWING UP PROPOSALS

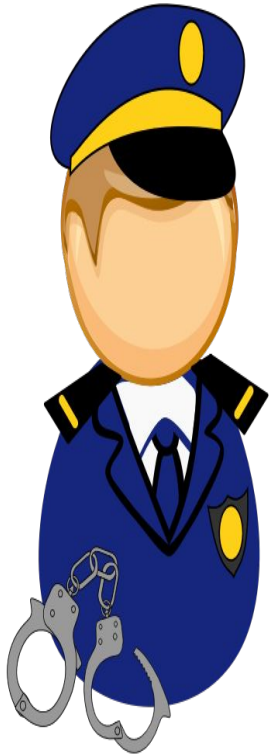

way fil' xäst ?ehe Employees!

The kids in your community need help! Everyday innocent kids fall victim to unknown bigfoot transformations, talking jerbish, walking backwards, and silent war hoops.

It is your job to help the kids in you community by coming up with Grown Up proposals to give to Council so they can create resolutions to save these kids from unknown consequences.

These Grown Up proposals must be kept **SECRET** at ALL TIMES! Only you and your fellow Council members know what's going on. Save the people! Their grown up lives are in your hands.
