

Tribal Consultation Community Feedback

Public Schools with an American Indian student enrollment of 50% or more or receives Title VI funds of more than \$40,000 are required to engage in meaningful and timely consultation with the Tribe prior to the School District's submission of a required plan or application. The Confederated Tribes of the Colville Reservation is seeking community feedback on the performance of the School Districts that fit this criteria. Please complete the brief survey below. Survey responses will help tribal leadership provide recommendations to school districts to better serve American Indian students.

1. Which Public School does your student(s) attend?

___ Grand Coulee Dam School District

___ Inchelium School District

___ Keller School District

___ Nespelem School District

___ Okanogan School District

___ Omak School District

2. Overall, how satisfied are you with the quality of services offered to American Indian students at the schools your student(s) attend? (Circle one)

Extremely dissatisfied

Extremely satisfied
