Wednesday, August 16, 2023

Colville Confederated Tribes Local Public School District Superintendents:

The Confederated Tribes of the Colville Reservation Employment & Education Division is currently accepting grant applications from the following School Districts: Inchelium, Keller, Grand Coulee Dam, Nespelem, Omak, PSIS, Wilbur and Okanogan.

There are three different categories of funding to apply for including the Teacher Grant Fund, High School Support fund, and Sports Fund. **The Teacher Grant Fund** consists of awards for applications from teachers, librarians, and school administrators for specific education development goals for materials, equipment, or educational experiences for the students such as field trips, and supporting the foundation of and materials for use in STEM or STEAM clubs. Preference will be given to projects focused on Colville Tribal language, culture, history and governance. Depending on the composition of applicants, the Tribe may select one application or multiple applications. There is a ceiling of \$2,000 for this award.

The **High School Support Fund** will be administered by the Colville Tribe’s Youth Development Program. These awards are a means-tested basis for applications directly from tribal member and descendant students to support their attendance at high school. Such awards can include funding for travel, materials and equipment. For more information students should contact the Youth Development Program at (509) 634-2469.

The **Sports Fund** is for applications from teachers and school administrators to support school sports activities through funding items such as materials and equipment, ground improvements, or organization of school sport competitions (e.g. travel, sports field, food). Depending on the composition of applications, the Tribe may select one application or multiple applications. The ceiling amount for this per school district is \$15,000.

Please see attached grant application for distribution to your respective school personnel.

Please submit the completed application via Email at [meghan.francis.kyp@colvilletribes.com](mailto:meghan.francis.kyp@colvilletribes.com)
